There is a vending machine in the lobby of the Epley Band Building.

Parking

Parking is available at the Stadium Drive Parking Garage. The address is 380 North Stadium Dr., Fayetteville, AR 72701. The Epley Band Building is located immediately south of the parking garage (see map).

What To Expect

During our time together, students will receive instruction in basic conducting fundamentals and how to express musical ideas such as dynamics, cues, and styles. We will also discuss other drum major related topics such as salutes, leadership/teaching, and commands. Students will also have time to ask questions specific to their school's audition process.

What To Bring

A great attitude! Students should dress comfortably and wear shoes they can stand in for extended periods of time. If a student has any audition materials they would like to bring to ask questions about (a music score, etc.), that is fine! Instruments are not needed.

If you have any questions, please reach out to Assistant Director of Bands Chase Jones at nj033@uark.edu
